In accordance with the provisions of controlling law, even notwithstanding the fact that, an exemption noted above may apply, the City hereby publishes the following information:

1. Summary of the proposed ordinance (must include statement of the public purpose, such as serving the public health, safety, morals, and welfare):

Ordinance proposes amending the Future Land Use designation of the eastern 0.83 acres of a 3.99-acre parcel of land from City of San Antonio's Neighborhood Mixed Use to Low Density Residential. The applicant is requesting the zoning be amended to allow the eastern area to be separated from the primary parcel and developed into a single family residence. The existing 3.99 acre parcel as a whole is part of the Heritage Bible Church PUD.

2. Estimate of direct economic impact of the proposed ordinance on private, for-profit businesses in the City:

Private businesses will not have a direct economic impact as a result of this ordinance. The subject property currently houses a church building; adoption of the ordinance will not affect the ability of the property owners to operate such an entity on the parcel.

3. Estimate of direct compliance costs that businesses may reasonably incur:

No compliance costs will be incurred by any private businesses.

4. Any new charge or fee imposed by the proposed ordinance, or any cost for which businesses will be financially responsible:

No charges or fees are to be imposed by the proposed ordinance on businesses.

5. Estimate of the City's regulatory costs incurred, including estimated revenues from any new charges or fees to cover such costs:

No regulatory costs will be incurred by the City. Expenditures related to administrative matters, such as publication of legal notices and mailings, are incurred by the petitioners of the rezoning application.

6. Good faith estimate of the number of businesses likely to be impacted by the proposed ordinance:

0.

7. Additional information (if any, but may wish to include the methodology used to derive information for #1 and #2, above.)

The proposed ordinance is applicable only to the subject property in which a zoning amendment petition has been filed for. The petition has been verified to contain an accurate metes and bounds legal description, and authorization from all property owners to submit the application.

Analysis of the subject property has been performed to verify consistency with the land use of surrounding properties, both in and outside of the City's municipal boundaries. The subject property is adjacent to County residential property to the north, agricultural fields to the south, and City single family residential properties to the east and west. The change in land use designation is not anticipated to have an impact on the city's public facilities and services.
